LB 511, 617, 719

opposed nay. Have you all voted on the Withem amendment? Please record, Mr. Clerk.

CLERK: 25 ayes, 1 nay, Madam President, on the adoption of Senator Withem's amendment.

PRESIDENT MOUL: The amendment is adopted.

CLERK: I have nothing further pending to the bill, Madam President.

PRESIDENT MOUL: Senator Withem.

SENATOR WITHEM: I move the advancement of LB 511 to E & R engrossing.

PRESIDENT MOUL: You've heard the motion to advance. All those in favor please say aye. Opposed nay. LB 511 is advanced. I will now recognize Speaker Baack.

SPEAKER BAACK: Yes, Madam President and colleagues, we are starting to get to the point where we're starting to run out of time. We are going to go to the redistricting bills now. We are going to start...we have to...they have to be brought back from Final. Five, I think five out of the six have to be brought back from Final for some amendments and so we are going to proceed with those right now. I think LB 617, is that correct, is first?

PRESIDENT MOUL: LB 617? Okay, items for the record first, Mr. Clerk.

CLERK: Madam President, two items for the record. I have amendments to be printed to LB 719 by Senator Lamb. (See AM2286 as found on pages 2803-05 of the Legislative Journal.) And a confirmation hearing report from the Agriculture Committee signed by Senator Rogers, as Chair of the committee. (See Standing Committee Report as found on page 2803 of the Legislative Journal.)

Madam President, Senator Conway would move to return Legislative Bill 617 to Select File for a specific amendment. Senator, I have 2258 in front of me. (See AM2258 on page 2806 of the Legislative Journal.)
